Re: Open Records Request dated January 2, 2018

You have requested departmental documents considered as presenting departmental policy, code, general orders, directives and/or guidelines regarding the concept of the public's right of photography and/or the photography/recording (video or audio) of department officers providing services in a public area.

There are no documents to provide responsive to your request. However, WSPD Officers are aware of the 5th Circuit's ruling on the matter.

Respectfully,

A handwritten signature in blue ink that reads "John P. Bevering".
